

Spring Term Enrichment 2017

Year 7 & Year 8

Welcome to your enrichment programme

At the Archer Academy we think that life outside of the classroom is really important in developing your lifelong love of learning. We want you to have a wide range of opportunities to try new things, develop existing talents and have some fun!

What you do in enrichment is your choice. There is so much available for you to do, we don't know how you are going to decide what to do first!

This guide explains what you can do throughout term two. Remember, each term we will produce a new guide and you will be able to choose to do different courses.

How does enrichment work?

Enrichment happens every Tuesday and Thursday as part of our extended day. Your lessons will finish at 2:50pm and you will then have a 15 minute break before your enrichment courses start. We encourage you to bring a drink and a snack on a Tuesday and a Thursday to have during your break. In your break you should get changed if you need to and go outside for some fresh air. You need to go directly to your enrichment classroom or meeting point ready for a 3.05pm start.

Some courses are held at venues outside of school; so make sure you know where you need to meet your course leader and be prompt to arrive. You may need to get changed at lunchtime.

Enrichment times

Tuesday 3.05pm to 4.05pm

Thursday 3.05pm to 4.05pm

How do I make my choices?

You need to make a "Tuesday" choice and a "Thursday" choice for this term. To help you to do this you will attend an Enrichment Fair. At your Enrichment Fair you will be able to meet each of the leaders of the different courses and find out more about what they are offering. Each course leader will have a stall set out in the school. On the next page you can see where each stall will be and you should use this to navigate yourself around the fair.

Before you go to the Enrichment Fair you should read this booklet carefully as it gives you an overview of the different courses available to you this term. It is also a good idea to show this booklet to your parents and discuss what grabs your attention with them. To help you make good use of your time at the fair it is worth deciding what might be your **top five courses** in advance. By making some decisions before the fair, you will know which stalls to head for first.

At each stall the course leaders will have information available to you. You can ask them questions and see if their course is something that you would like to do.

Your form tutor will give you some information, including some strategies in how to make your choices before and after the fair.

Once you have made your choices you need to complete a "Choice Form" very carefully. At the end of the Enrichment Fair you will need to complete one form for your Tuesday choice and a different one for your Thursday choice and hand them in to your form tutor.

We hope to be able to give every student their first choice but each course has a limited number of places, therefore it is important that you think carefully about what you would like to do if you do not get your first choice. If you don't get your first choice this term you will get priority next term.

What should I think about when making my choices?

Making decisions is always difficult, particularly when you have a lot of choices available to you. As you move up through the Archer Academy you will have more and more opportunities to make choices about what you do. It is very exciting to have choice, but it can also be a little daunting as you might worry that you make the wrong decision.

The following strategies might help you:

- ✓ Read the booklet through carefully and make a list of the things you most like about each course
- ✓ Discuss the things you like about each course with someone at home
- ✓ Be brave and make sure you don't rule out anything you have never tried before, or think you might not be very good at (you don't know until you try)
- ✓ Plan some questions you would like to ask the different course leaders at the Enrichment Fair
- ✓ Identify the five courses that most interest you before the Enrichment Fair so that you do not feel too overwhelmed
- ✓ Remember your form tutor is there to help, so do ask their advice

Look carefully at the number of places available for each course, some have small numbers. Remember, you get to make fresh choices next term so don't worry that you are missing out.

What happens at the Enrichment Fair?

Your lessons will finish at 2:50pm and you then have a 15 minute break. At 3.05pm you need to make sure you are lined up outside in your tutor group, you will then go to the fair for 20 minutes in this time you will have time to explore the Enrichment Fair and talk to all the course providers. Remember to bring your booklet. At 3:30pm you will need to head back to your form room. The teacher will give you some information about the Enrichment Fair and how to make your choice, you will then need to complete your choice form.

You will find out which courses you have secured the following week. Group lists will be displayed around School.

Please note:

- You are not allowed to choose any of the same options as last Term.
- You cannot choose any of the same Enrichments on Tuesday and Thursday
- There may be the need for some Enrichments to run at Upper School. Miss Alcock will confirm this information. However, you will be required to meet your designated teacher in the playground at 2.50pm straight after session 5.

Tuesday Choices

The information below outlines the courses you can choose from on a Tuesday. Have a good read. It is all very exciting!

Skills you will develop:	Team work, coordination, fitness
Top 3 things about this enrichment:	Fun Competitive Variety of team sports
You might need to bring:	Your Archer PE kit, water bottle

Korean Soap Operas

Programme	Korean Soap Operas (25 places)
Tutor	Miss Ingleby
What you will be doing:	We will watch, talk about and pick apart the unique and world famous genre of Korean TV Dramas - these are a distinctive part of Korean culture, and as well as being entertaining and enjoyable to watch, tell us lots about a place you may have never visited or experienced before. Korean Dramas are TV shows that can vary widely in plot and genre, from historical epic tragedies to modern action comedies, but have a distinctive style and only run for a short time. Many people in South Korea love to watch them in the same way people watch Soap Operas in the UK, and they can reveal a lot about everyday South Korean culture.
Skills you will develop:	Some Korean language and cultural understanding, a few key phrases in Korean, and a love for Korean Drama!
Top things about this enrichment:	You get to decide what we do for enrichment, and its great fun learning about a country you might not have been to!
You might need to bring:	All you will need is to be open minded about discovering more about an interesting form of entertainment, and a willingness to discuss Korean culture in sessions.

Mad Science

Programme	Mad Science (20 places)
Tutor	Mr Wick

What you will be doing:	Are you the type of person who enjoys discovering new scientific ventures? Have you wanted to dissect real organs!? Have you ever wanted to make alien blood? Would you be interested in seeing your own DNA? Would you like to set yourself on fire (safely!) How about making rainbows using chemicals? If your eyes widen and heart quickens to these exciting opportunities, then Mad Science Club will be for you!
Skills you will develop:	Developing your curiosity Experimental appreciation The scientific method
Top 3 things about this enrichment:	Explosions Awe-inspiring Mind-boggling
You might need:	Your fiery imagination and curiosity

Muay Thai Boxing

Programme	Muay Thai Boxing (25 places)
Tutor	Shahab "Shabba" Uddin (East Finchley Combat Academy)
What you will be doing:	<i>Do you want to get fit, learn a Martial Art and learn self-defence?</i> Muay Thai boxing is known as "The art of eight limbs"; which utilises kicks, punches, knees and elbows. But don't worry; you won't be hitting each other at all! Our sessions will consist of partner work with one partner holding pads and the other one hitting the pads using combinations that will be demonstrated by the instructors. We strongly encourage girls as well as boys to take part, regardless of your current fitness level.
Skills you will develop:	The classes are high intensity cardio so your fitness will improve greatly as well as building and toning muscle. Also, you'll be learning a powerful martial art that can be used for self-defence and is a great way to build confidence.
Top 3 things about this enrichment:	It's an awesome workout! You're learning a martial art which can be used to defend yourself. It's a great way to build self-confidence.
You might need to bring:	PE kit. Water bottle.

**you will go off site for this course and will need to change at lunchtime. You will need to meet promptly in the courtyard at 2:50pm.*

**For this course you will need to change into your PE kit at lunch time. You will need to meet the designates teacher promptly in the Courtyard at 2.50pm*

Taekwondo

Programme	Taekwondo (20 places)
Tutor	Chris Jones
What you will be doing:	Taekwon-Do is a version of unarmed combat designed for the purpose of self-defence. It is more than just that, however, it is the scientific use of the body in the method of self-defence; a body that has gained the ultimate use of its facilities through intensive physical and mental training. Though it is a martial art, its discipline, technique and mental training are the mortar for building a strong sense of justice, fortitude, humility and resolve. Taekwon-Do is called an art of self-defence. Translated literally "Tae" stands for jumping or flying: to kick or smash with the foot. "Kwon" denotes the fist: chiefly used to punch or destroy with the hand or fist. "Do" means an art or way. Thus taken collectively "Taekwon-Do" indicates the mental training and the techniques of unarmed combat for self-defence as well as

	health, involving the skilled application of punches, kicks, blocks and dodges with bare hands and feet. You will have the opportunity to work towards your grades.
Skills you will develop:	Self-discipline. Mental agility. Physical fitness.
Top 3 things about this enrichment:	Develop your mental and physical confidence. Know how to protect yourself safely in any situation. Push your body to its limits.
You will need:	PE Kit & water bottle

The Creatives

Programme	'The Creatives' (Creative Writing society) (15 places)
Tutor	Ms Walker
What you will be doing:	Calling all young, aspirational creative writers! Looking to be the next J.K Rowling, Roald Dahl or Ernest Hemingway? 'The Creatives' are looking for imaginative, ambitious and enthusiastic young writers to develop and hone their creative writing skills. At 'The Creatives', we will be having informal discussions about imaginative plots, characters and writing styles, as well as looking at exemplary writing from both renown authors and sharing our own writing.
Skills you will develop:	Self- Esteem: you will grow in confidence as a result of participating and sharing with the rest of the Creatives. A wider knowledge of Literature: We will be looking at a variety of fantastic literature; from screenplays, poetry, novels and even graphic novels! Creative writing: Your imagination and use of descriptive language will grow and improve as a result of practicing and sharing.
Top things about this enrichment:	You will be developing your own novel throughout your time in The Creatives. You will be able to share your own opinions by speaking and listening to others. You can share your passion for writing and literature with other like-minded students and staff.
You might need to bring:	A notebook, pen and pencil, and your imagination!

Website Design

Programme	Website Design with Codecademy
Tutor	Mr Naylor
What you will be doing:	<i>The internet is a central part of our lives - we use it every day. But have you ever wondered how websites are made? Would you like to try your hand at making your very own website?</i> We'll be looking at how to build websites starting from the very basics building up to more complex techniques.
Skills you will develop:	How to write the code used to make websites using two main coding languages called <u>HTML</u> and <u>CSS</u> How to create your own website containing images, text, links, a great design and more! <i>Note: This will primarily be a <u>technical</u> course so you must be willing to put on your logical thinking cap and get coding!</i>

Top 3 things about this enrichment:	Web development is so much fun - it's both logical and creative! Coding is the future - get started on your coding journey now! You never know where it might lead you, whether as a hobby or even as a career... As part of this enrichment you will enrol in an online course called Codecademy where you'll earn <u>points</u> and <u>badges</u> on your profile page for everyone to see and admire!
You might need to bring:	Just bring yourself and lots of enthusiasm and creativity!

Wordplay

Programme	Word Play
Tutor	Ms Vandervelde
What you will be doing:	<i>Do you like playing games? Do puns make you laugh? Are you good at working things out?</i> This is a club for people who enjoy talking and playing around with words. We will play games like Boggle and Scrabble, put our minds to solving codebreakers and crosswords and have a go at a few anagrams and riddles along the way. We will also replicate some of the best games from TV shows like Catchphrase/ Dingbats and Countdown in the classroom. There may even be prizes for those who unscramble the conundrums, crack the code or score over 50 in a single Scrabble word! And, if we are feeling really confident we will design our own word games to try out on others in the school.
Skills you will develop:	Broaden your vocabulary. Learn new games and activities. Literacy skills.
Top 3 things about this enrichment:	Have fun, play with words and stretch your mind (and beat your friends!)
You might need to bring:	Pen and notepad.

Thursday Choices:

The information below outlines the courses you can choose from on a Thursday. Have a good read. It is all very exciting!

Basketball

Programme	Book Club (15 places)
Tutor	Miss Devi
What you will be doing:	<i>Do you love to get lost in a good book? Are you opinionated about intriguing characters and exciting plots? Do you like to think outside the box? Are you keen to make new friends?</i> If your answer is yes to one or more of these questions, then Book Club is perfect for you! We will read exciting books recommended by myself and you! These will be read independently and together in a cosy setting, there may even be hot chocolate and biscuits on offer! We will have the opportunity to explore books in depth and involve ourselves in exciting discussions, as we delve into the wonderful world of books. To conclude our book reading we will write a professional style review!
Skills you will develop:	Participating in discussions. Expressing your views. Reading for understanding. Fluency in reading out loud. Analysis of characters. Thinking 'outside the box'. Debating skills. Writing skills
Top things about this enrichment:	Making friends Loving books Getting cosy
You might need to bring:	Your fiery imagination A small notepad and pen

Coding

Programme	Coding (15 places)
Tutor	Coding Teacher
What you will be	Learning how to code, what an algorithm, subroutine and function are.

doing:	
Skills you will develop:	Computer skills, team work, imaging
Top things about this enrichment:	Learn a new skills, make you own codes, understand how machines rely on instructions.
You might need to bring:	Yourself!

Current Affairs

Programme	Current Affairs Society (15 places)
Tutor	Mr Berkley
What you will be doing:	Want to understand why Britain voted for Brexit? Need answers about why Trump has been so successful? Just want to know more about the world around you? Each week we will look at a range of the most important headlines in the news and discuss their implications. This is guaranteed to include a lot of discussion about: The implications of Brexit, the US presidential election and the War in Syria.
Skills you will develop:	You will become more informed about current events You will learn to look to look through the news headlines and see what is really happening in the world.
Top things about this enrichment:	It's a place to look beyond the headlines and really understand the forces driving world affairs. It's a relaxed environment where you can voice your opinions.
You might need to bring:	A piece of news from the week.

Formula 1

Programme	Formula 1: Need for Speed (20 places)
Tutor	Mr. Pearson
What you will be doing:	You will be looking at existing formula 1 cars, looking at how aerodynamics and shape add speed and control. You will then use this to work in pairs and design and create your own craft. These will be tested using high-powered gas canisters. There will be a leader board and the person with the fastest car is the winner!
Skills you will develop:	Research, Analysis, Design, Construction, Evaluation
Top 3 things about this enrichment:	Designing and researching your craft design, Making your own craft using tools and testing your craft using gas canisters.
You might need to bring:	Pencils, pens, general school equipment

Greek Club

Programme	Greek Club (15 places)
Tutor	Panayiota Tsangari
What you will be doing:	The impact of the Ancient Greece and Ancient Greek Language can be obvious everywhere in the modern world, even in facebook. The Greek Club will bring the treasures of the 'colourful' Ancient Greek Civilization (all the buildings and statues in Ancient Greece were colourful!) to life through a series of inspirational activities.

	If you are interested in Ancient Olympic Games, drama, mythology and philosophy of the antiquity, you should choose this club. You will get the chance to act a dialogue from tragedy or comedy according to the Ancient Greek Phonology, to do a debate according to the procedure in the Athenian <i>agora</i> , create your favourite superheroes of the ancient world etc.
Skills you will develop:	Articulation, Creativity, Philosophical
Top 3 things about this enrichment:	You will get the chance to explore an inspiring selection of different aspects of a miraculous world, develop an awareness between the classical world and later times and cultivate sensitivity to past societies.
You will need:	Bring a note book and folder and any materials you like to use. Sometimes you may need to provide some specific materials but you will be told this in advance.

Improv Comedy

Programme	Improv Comedy (15 places)
Tutor	Lara de Belder
What you will be doing:	Drama games and activities, improvisation comedy- long and short form
Skills you will develop:	Confidence, speed of thought, building a character, comic timing, freeing imagination, working as a team, acting skills, awareness of physicality on stage, finding humour through reality and surrealism
Top 3 things about this enrichment:	Learning to improvise scenes on the spot! Playing fun games and learning to work as a team. Developing a story using characters and imagination.
You will need:	Yourself! Improv comedy is for anyone interested in drama/comedy, or even those that are shy and curious - as long as you're willing to give everything a go, you'll be amazed with how your confidence will grow!

Jazz Dance

Programme	Jazz Dance (20 places)
Tutor	Felix Denton

Kinder Kitchen

Programme	Kinder Kitchen Cookery Enrichment
Tutor	Natasha Walter
What you will be doing:	Teaching cookery
Skills you will develop:	<p>Do you enjoy eating good food? Would you like to know how to cook tasty but healthy dishes? Then carry on reading....</p> <p>Cooking for yourself is one of the most important life skills – although today many of us rely on highly processed, unhealthy takeaways and ready meals.</p> <p>Kinder Kitchen prides itself on teaching children and adults, of all ages, how to cook delicious yet healthy dishes from scratch. Cooking is easy once you know how and by attending our classes we can give you a head start in the kitchen.</p> <p>Dishes included this term on the menu are: homemade burgers, frittatas, salads, falafels & flat breads, vegetable curry, pancakes, fishcakes, vegetable frittatas. Each week we will supply you one or two recipes covering breakfast, lunch, dinner, snacks and drinks ideas. You will not only expand upon your cookery knowledge, but also your recipe collection as each week you will be given a recipe card to take home and keep, so that you can cook your favourite dishes again and again.</p> <p>You'll learn how fun cooking is, whilst socialising with your friends and trying out new flavours and ingredients.</p>
Top things about this enrichment:	<p>You will be able to cook simple, tasty dishes that you can eat at the end of class or take home.</p> <p>Try out new ingredients and learn how to prepare and cook them.</p> <p>Explore local, seasonal and cultural food.</p>
You might need to	The ingredients for each week and the recipe.

bring:	A container to carry your food home and a folder to keep all your recipes safe.
