

Request for the Archer Academy to administer medication

The Archer Academy cannot administer medicine to your child, or allow your child to self-medicate, unless you complete and sign this consent form. The medication has to be prescribed by a medical professional and the Headteacher or a member of the Senior Leadership Team has to agree that this can be administered. Parents are responsible for ensuring that medication is within expiry date. Medication that has expired will be disposed of. A separate form is required for each medicine.

Please return this form to Mrs Card, Medical & Welfare Officer, or alternatively please email to Office@Thearcheracademy.org.uk

Medication

Medicine must be in the original container as dispensed by the pharmacy and it must be in date, labelled and state dosage instructions. Medicine which does not meet these criteria will not be administered.

A maximum of one academic year's supply of the medication may be provided to the school at one time.

Where possible, it is preferable for medicines to be prescribed in frequencies that allow the student to take them outside of school hours. In the case of antibiotics where the dosage is 3 times a day the medication should be taken before school, after school and in the evening.
