

YEAR 11

ARCHER +

ENRICHMENT PROGRAMME

Block One

September 2020 – January 2021

Welcome to Block One of your Archer Plus Enrichment Curriculum!

With this academic year being the last before you take your GCSE exams, it is important that you are able to fully reach your potential in all the subjects you are studying. The Archer Plus curriculum for Year 11 will help support and accelerate the learning of some of your GCSE subjects.

Archer+ is starting slightly earlier than normal this year due to your reduced teacher contact time last term.

Archer + will be split into two blocks with each one being around **11 weeks** long.

Block One: w/c Mon 14 – Sept to Mon 04-Jan 2021

Block Two: w/c Mon 11-Jan to Mon 03-May 2021

You will be able to choose two new enrichments in each block, meaning most of you will be doing four different sessions over the year

This guide explains what is on offer for **Block One**.

How does Enrichment work?

Enrichment happens every **Tuesday and Thursday** as part of our extended day. Your lessons will finish at 2:30pm and you will then have registration. After registration you will start your enrichment at **3:05pm**.

Enrichment times

Tuesday: 3:05pm to 4:05pm

Thursday: 3:05pm to 4:05pm

How do I make my choices?

This year you will make your enrichment choices online through a **digital form** with link found on **Show My Homework** you will not be given a paper form to rank your choices like previous years.

To help you make your choices you will be given a brief outline of the key elements of each course from the information from this booklet

Due to you starting the courses next week, the absolute deadline for you to make the choices is:

Tuesday 8th September

If you do not submit your electronic choice form by the deadline you will be allocated a course deemed most appropriate by your teachers

The Archer Outcomes

The Archer Outcomes play a key role in measuring success at The Archer. This is also the case for Enrichment. Each Enrichment will focus on two of the Archer Outcomes:

- Analytical
- Articulate
- Collaborative
- Creative
- Reflective
- Resilient

In order to for you to work on a range of skills and make the most of Enrichment, we encourage students' choices to reflect a variety of the Archer Outcomes. Just like your normal lessons, Enrichment providers may reward you with a merit if you make a special effort in working towards the specific Archer Outcomes.

How will I be assessed in Enrichment?

It is important to recognise the progress and achievements gained from these sessions. For Enrichment you will be assessed in two formats:

Report Cycle Two:

On your third report of this academic year there will be a section showing your progress in both of your Enrichment sessions. This will be based on two elements:

Pastoral: You will be given a grade for behaviour and effort

Archer Outcomes progress: You will be given a grade based on the two Archer Outcomes of the course.

Archer Golden Arrows:

The 'Archer Golden Arrow' is an award given by each Enrichment teacher to the one student who has made the most progress during the course of that Enrichment. Look out for what the description says you need to do in order to impress your teachers!

TUESDAY CHOICES

The information below outlines the courses you can choose from on a Tuesday. Have a good read to help you make an informed choice.

GCSE Drama Booster

Tutor	Miss Rodford
Year	11
Maximum Numbers:	31 (all Drama students)
What you will be doing:	<u>Coursework surgery!</u> An opportunity to complete your Devising Drama coursework with Miss Rodford (30% of your final grade). Deadline for coursework: December 2020.
Skills you will develop:	<ul style="list-style-type: none">• Evaluation and Analysis• Discussion of theatrical choices and the impact of these• How meaning is created for an audience.
