

## **Recovery Premium at the Archer Academy 2021 2022**

### **Purpose**

The Recovery Premium was first issued to schools from September 2021 as part of the government's commitment to support schools in relation to the impact of the COVID19 pandemic.

The Recovery Premium is calculated based on the number of students in a school who are eligible for Free School Meals, are Pupil Premium (have been eligible for Pupil Premium at any point in the previous 6 years) are Looked After Children or Post Looked After Children. The premium is calculated in this way to ensure that schools prioritise the spending of this additional money on the most disadvantaged students, those who are likely to have been most negatively impacted by the effect of school closures.

Schools are advised to use the Recovery Premium to secure evidence based approaches to supporting student achievement.

We have prioritised the Recovery Premium on two core areas of our Raising Achievement Agenda to enable us to best ensure that every student realises their potential. Our Recovery Premium has been dedicated to the funding of a full time Academic Mentor to support students in Years 10 and 11 with study skills, core subject tutoring and bespoke support based on identified learning gaps. Additionally, our Recovery Premium has been dedicated to providing the top up funding needed to support the School Led Tutoring Grant. Through the School Led Tutoring Grant, schools are afforded dedicated funding to provide 1-1 tuition for students. However, the funding of the tutoring provision must be topped up by the school. Through our use of the Recovery Premium, we aim to ensure that every student identified as Pupil Premium in our school has received 1-1 tuition by the end of the 2021 2022 academic year.

### **Recovery Premium Planned Budget, at the Archer Academy, 2021 2022**

Recovery Premium Allocation: £23,780

## Recovery Premium Funding Map 2021 2022

Strategy	Budget	Desired Outcome
<p>1-1 Tuition for Year 10 and Year 11 students, top up funding to support the School Led Tutoring Grant.</p> <p>1-1 Tuition for Year 9 students, top up funding to support the School Led Tutoring Grant.</p> <p>1-1 Tuition for Year 7 and Year 8 students, top up funding to support the School Led Tutoring Grant.</p>	<p><b>£12,495</b></p>	<p>MyTutor has been identified as our tuition partner. All students identified as Pupil Premium in Year 10 (36 students) and Year 11 (26 students) will complete 1-1 tuition in the autumn term of 2021, focused on English, Maths and Science. Each session has a top up fee of £8.50.</p> <p>MyTutor has been identified as our tuition partner. All students identified as Pupil Premium in Year 9 (36 students) will complete 1-1 tuition in the spring term of 2022, focused on English, Maths and Science. Each session has a top up fee of £8.50.</p> <p>MyTutor has been identified as our tuition partner. All students identified as Pupil Premium in Year 8 (25 students) and Year 7 (31 students) will complete 1-1 tuition in the summer term of 2022, focused on English and Maths. Each session has a top up fee of £8.50.</p>
<p>Academic Mentor for Year 11 and Year 10</p>	<p><b>£11,285</b></p>	<p>Students identified as Pupil Premium or working significantly below their targets are afforded weekly tutoring sessions with an Academic Mentor. As a result of this support, students will have greater independence, secure study skills, and the support required to secure their target grades. The focus of this work at curriculum level is on core subjects.</p>
<p>Total Planned Spend:</p>	<p><b>£23,780</b></p>	

Impact of this plan will be evaluated through the Education and Standards Committee before being taken to the Full Governing Body during the autumn term of 2022.
