1. Statement of Intent

The Archer Academy recognises that ensuring the Health and Safety of staff, students and visitors is essential to the success of the school.

We are committed to:

- a. Providing a safe and healthy working and learning environment.
- b. Preventing accidents and work-related ill-health.
- c. Meeting our legal responsibilities under health and safety legislation as a minimum
- d. Assessing all risks to anyone who could be affected by our curriculum and non-curriculum activities and putting in place measures to control these risks.
- e. Ensuring safe working methods and providing safe work equipment.
- f. Providing adequate information, instruction, training and supervision.
- g. Consulting with employees and their representatives on health and safety matters.
- h. Monitoring and reviewing our safety arrangements and prevention measures to ensure they are effective.
- i. Setting targets and objectives to develop a culture of continuous improvement.
- j. Ensuring adequate welfare facilities exist throughout the school.
- k. Ensuring adequate resources are made available for health and safety issues, so far as is reasonably practicable.

Health and Safety procedures will be adopted, and responsibilities will be appropriately assigned to ensure the aims of this policy are met. All Governors, Trustees, staff and students will play their part in its implementation.

2. Roles and Responsibilities

2.1 Introduction

- 2.1.1. To achieve compliance with the Statement of Intent, the management team will have additional responsibilities assigned to them as detailed in this part of the policy.
- 2.1.2. An organisational chart for Health and Safety Management is available in [Appendix 1](#).

2.2 The Governing Board

- 2.2.1. The Governing Board is responsible for ensuring that:
 - a) The health and safety policy statement is clear, and it promotes a positive attitude towards safety and health for staff and students.
 - b) The Headteacher is aware of their health and safety responsibilities and has sufficient experience, knowledge and training to perform the tasks required.
 - c) Clear procedures to assess significant risks are fully implemented and ensure that safe working practices are adopted.
 - d) Sufficient funds are set aside with which to operate safe working practices.
 - e) Health and safety performance is monitored, failures in health and safety policy or implementation recognised, and policy and procedure revised as necessary.

2.3 Headteacher

- 2.3.1. To be accountable to the Governing Board for the effective implementation of this policy.
- 2.3.2. Ensure the policy's objectives are fully met by
 - a) Planning as necessary to make human, financial and other resources available to secure a high standard of health and safety management, taking competent advice on matters of health and safety where relevant.
 - b) Providing final authority on matters concerning health and safety at work.
 - c) Making decisions on health and safety issues based on a proper assessment of any risks to health and safety and will ensure the control of those risks appropriately.
 - d) Delegating specific responsibility for the implementation and monitoring of the Health and Safety Policy to the Business Manager and Health & Safety Lead.

2.4 Manager Responsible for Health and Safety

- 2.4.1. The Health & Safety Lead, working in conjunction with the appointed Health and Safety Consultants, Judicium, and the Health and Safety Committee will advise the Headteacher on health and safety policy. Acting for and on behalf of Headteacher they have the responsibility for implementing and monitoring the policy, principally through the Heads of Department.
- 2.4.2. The Health & Safety Lead achieves this by ensuring that:
 - a) This policy is communicated and made available to all relevant persons.
 - b) Appropriate information on significant risks is given to visitors and contractors.

- c) Appropriate consultation arrangements are in place for staff and their safety representatives.
- d) All staff are provided with adequate information, instruction and training on health and safety issues.
- e) Additional responsibilities for health, safety and welfare are allocated to specific individuals, and they are informed of their duties and responsibilities and have sufficient experience, knowledge and training to undertake them.
- f) Risk assessments of the premises and working practices are undertaken.
- g) Safe systems of work are in place as identified from risk assessments.
- h) Emergency procedures are in place.
- i) Machinery and equipment are inspected and tested to ensure it remains in a safe condition.
- j) Records are kept of all relevant health and safety activities, e.g. assessments, inspections, accidents, etc.
- k) Arrangements are in place to inspect the premises and monitor performance.
- l) Accidents are investigated, and any remedial actions required are taken or requested.
- m) The activities of contractors are adequately monitored and controlled.
- n) A report to the Governing Board on the health and safety performance of the school is completed and reviewed termly.

2.5 Staff Holding Posts/Positions of Special Responsibility

2.5.1. This includes the Senior Leadership Team, Heads of Departments, the Office Manager and Health & Safety Lead. They must:

- a) Apply the school's Health and Safety Policy to their department or area of responsibility and be directly responsible to the Headteacher for the application of the health and safety procedures and arrangements in their areas of responsibility.
- b) Develop policies and procedures which identify the key risks in their areas of responsibility and the organisation and arrangements for managing those risks.
- c) Carry out regular health and safety risk assessments of the activities for which they are responsible and submit reports to Headteacher and the Health & Safety Lead.
- d) Ensure that all staff under their management are familiar with the health and safety procedures for their area of work.
- e) Resolve health, safety and welfare problems that members of staff refer to them, and refer to the Headteacher any problems to which they cannot achieve a satisfactory solution within the resources available to them.
- f) Carry out regular inspections of their areas of responsibility to ensure that equipment, furniture and activities are safe and record these inspections where required.
- g) Ensure the provision of sufficient information, instruction, training and supervision to enable employees and students to manage risks, avoid hazards and contribute positively to their health and safety.
- h) Ensure all accidents, incidents and near misses are recorded and investigated appropriately.
- i) Include Health and Safety performance in the annual report for the Headteacher, through the Health and Safety Committee.

2.6 All Teaching staff

2.6.1. Class teachers are responsible for:

- a) Exercising adequate supervision of their students and to know the procedures in respect of fire, first aid and other emergencies, and to carry them out.
- b) Following the health and safety procedures applicable to their area of work.
- c) Giving clear oral and written health and safety instructions and warnings to students as often as necessary.
- d) Ensuring the use of personal protective equipment and guards where necessary.
- e) Making recommendations to the Headteacher or their Head of Department on health and safety equipment and on additions or necessary improvements to plant, tools, equipment or machinery.
- f) Integrating all relevant aspects of safety into the teaching process and, where necessary, give special lessons on Health and Safety in line with National Curriculum requirements for safety education.
- g) Ensuring that personal items of equipment (electrical or mechanical) or proprietary substances are not brought into the premises without prior authorisation.
- h) Regularly checking their classrooms for potential hazards and reporting any observed to the Health & Safety Lead.
- i) Reporting all accidents, defects and dangerous occurrences to the Headteacher or Health & Safety Lead.

2.7 Kitchen/Catering Manager

2.7.1. The Kitchen/Catering Manager is responsible for the safe operation of the catering facilities and must:

- a) Be familiar with the school's Health and Safety Policy and other associated policies.
- b) Prepare risk assessments for all catering activities.
- c) Ensure that all kitchen staff are instructed and informed to work following policies, risk assessments, and procedures in place.
- d) Inform the Premises Manager, Health & Safety Lead or the Headteacher of any potential hazards or defects.
- e) Be familiar with the current Food Safety legislation and the implications so far as the school is concerned.

2.7.2. Ensure that non-catering staff do not use the catering facilities and equipment without the prior agreement of Headteacher or Health & Safety Lead.

2.8 Health and Safety Committee

- 2.8.1. The school's Health and Safety Committee provides a forum for joint employer/employee discussions of Health and Safety matters. This Committee will meet once per term as a minimum as part of the Finance & Operations Committee. All employees are encouraged to bring health and safety concerns to this Committee either directly or through their safety representative
- 2.8.2. The Committee will review all health, safety, fire safety and security matters, including a review of policy at least annually.
- 2.8.3. The Committee will advise the Headteacher and/or the manager responsible for health and safety, of any current issues.
- 2.8.4. The Health and Safety Committee will comprise the Headteacher, Finance Director, Business Manager, Health & Safety Lead, IT Manager and Staff Representatives from various key areas.
- 2.8.5. Safety Representatives, whether appointed by a recognised trade union or elected by the workforce, are automatically members of this Committee.

2.9 All staff

2.9.1 All employees must:

- a) Act in the course of their employment with due care for the health, safety and welfare of themselves, other employees and other persons.
- b) Observe all instructions on health and safety issued by the Governing Board , or any other person delegated to be responsible for a relevant aspect of health and safety.
- c) Follow the guidance given in Health and Safety training received.
- d) Report all accidents and near misses as per the reporting procedure.
- e) Know and apply emergency procedures in respect of fire, first aid and other emergencies.
- f) Co-operate with other persons to enable them to carry out their health and safety responsibilities.
- g) Inform their Line Manager of all potential hazards to health and safety, in particular those who are at serious or imminent danger.
- h) Inform their Line Manager of any shortcomings they identify with regards to health and safety arrangements.
- i) Exercise good standards of housekeeping and cleanliness.
- j) Co-operate with any appointed/elected Safety Representative(s) and the Enforcement Officers of the Health and Safety Executive.
- k) When authorising work to be undertaken or authorising the purchase of equipment, ensure that the health and safety implications of such work or purchases are considered.

2.10 Contractors and visitors

- 2.10.1. All visitors (including contractors) must report to reception and sign in on arrival.
- 2.10.2. Visitors and contractors must report any injuries to their host as soon as possible.
- 2.10.3. When the premises are used for purposes not under the direction of the Headteacher, e.g. the provision of school meals, then, subject to the explicit agreement of the Governing Board,

the principal person in charge of the activities will have responsibility for safe practices in the areas under their control.

- 2.10.4. All contractors who work on the premises are required to identify and control any risk arising from their activities and inform Headteacher or Health & Safety Lead of any risks that may affect the premises, staff, students and visitors.
- 2.10.5. All contractors must be aware of this health and safety policy, other relevant policies and emergency procedures and comply with these at all times.
- 2.10.1. In instances where the contractor creates hazardous conditions and refuses to eliminate them or to take action to make them safe, the Headteacher, Health & Safety Lead or their representative will take such actions as are necessary to protect the safety of staff, students and visitors.

2.11 Students

- 2.11.1 Students, in accordance with their age and aptitude, are expected to:
 - a) Exercise personal responsibility for the health and safety of themselves and others.
 - b) Observe standards of dress consistent with safety and/or hygiene.
 - c) Observe all the health and safety rules of the school and in particular the instructions of staff given in an emergency.
 - d) Use and not wilfully misuse, neglect or interfere with things provided for their health and safety.

3. Arrangements

3.1 Introduction

- 3.1.1. The following procedures and arrangements have been established within school to eliminate or reduce health and safety risks to an acceptable level and to comply with minimum legal requirements:
- 3.1.2. The list provides a summary of all the key Health and Safety arrangements applicable to the school. More detailed policies and written procedures for a number of these areas are available in the Health and Safety Management File.

3.2 Accident and Incident Reporting

- 3.2.1 All staff are required to ensure that all accidents are reported to the Headteacher, Business Manager or Health & Safety Lead who will ensure that the accident is investigated and reported to the Governing Body and the Health and Safety Executive as appropriate.
- 3.2.2 All incidents or near misses – i.e. something which has the potential to cause harm although it doesn't do so on this occasion – must also be reported so they can be investigated and appropriate steps are taken to prevent a more serious reoccurrence.

- 3.18.5 All PE equipment must be visually checked before lessons and returned to the designated storage area after use.
- 3.18.6 Students must not use the PE equipment unless supervised.
- 3.18.7 Any faulty equipment must be taken out of use and reported to the Head of Department or the Premises team.

3.19 Personal Protective Equipment (PPE)

- 3.19.1 Where the need for PPE has been identified in risk assessments, it is the Headteacher's responsibility to ensure adequate supplies of suitable PPE.
- 3.19.2 Where a need for PPE is identified by risk assessment, staff and students should wear PPE as per instructed on the risk assessment.
- 3.19.3 Any staff member or student who refuses to use the PPE will be subject to disciplinary action.
- 3.19.4 PPE must be kept clean and stored in designated areas. Staff must report any lost or damaged PPE to their line manager in the first instance, if issues arise, there should be brought to the attention of the Headteacher/Principal.

3.20 Risk Assessments

- 3.20.1 It is the Headteacher's responsibility to ensure that potential hazards are identified, and risk assessments are completed for all significant risks arising from the school undertakings.
- 3.20.2 The Headteacher is responsible for ensuring the responsibility for completing risk assessments is delegated to the person responsible for that area.
- 3.20.3 Heads of Department will undertake risk assessments for their specialist areas.
- 3.20.4 The Health & Safety Lead will undertake risk assessments for maintenance and cleaning.
- 3.20.5 The EVC will ensure that risk assessments are completed by all staff who organise and lead Educational Visits.

3.21 Security

- 3.21.1 The Premises Manager is responsible for the security of the school site and will undertake regular checks of the boundary walls /fences, entrance points, outbuildings and external lighting.
- 3.21.2 The Health & Safety Lead is also responsible for the security of the site after normal school hours use and lettings.
- 3.21.3 Where used, the numbers on security pads will be changed at regular intervals, and these changes notified to relevant staff. Staff are reminded that these numbers should not be divulged to any student or parent.
- 3.21.4 Staff must query any visitor on the premises who is not wearing a visitor badge and escort them back to reception.
- 3.21.5 If an intruder becomes aggressive staff should seek assistance.
- 3.21.6 Meetings with parents known to be verbally abusive or threatening in their behaviour should only be held virtually or by phone, if this is not possible, then these should take place in the

reception area where assistance is available. The Headteacher must be notified in advance of these meetings where possible.

- 3.21.7 Incidents of verbal abuse or threatening behaviour by parents, visitors or students must be reported immediately to the Headteacher, and the requirements set in section 3.30 should be followed.

3.22 Site Maintenance

- 3.22.1 The Health & Safety Lead is responsible for ensuring the safe maintenance of the school premises and grounds and for ensuring cleaning standards are maintained.
- 3.22.2 The Premises team will undertake routine inspections of the site and report any hazards that cannot be dealt with immediately to Headteacher.
- 3.22.3 All staff are responsible for reporting any damage or unsafe condition to the Premises Manager immediately by email, telephone or by calling Reception.

- 3.31.1 Any member of staff that is a new or expectant mother should notify their line manager as soon as practicable.
- 3.31.2 The Headteacher is responsible for ensuring that risk assessments are undertaken, and appropriate controls are in place to manage infection risks in line with the requirements set on the Control of Infections Policy.
- 3.31.2 The HR Manager should review the relevant risk assessments with the relevant member of staff to ascertain if further controls are required. If necessary, a specific risk assessment should be carried out for the new/expectant mother.
- 3.31.3 The school should consider these risks when completing the risk assessment:
 - a) Working with hazardous substances
 - b) Stressful environments
 - c) Movement around the site (including stairs and distances between classrooms etc.)
 - d) Doing duties that involve physical effort which might be too arduous;
 - e) Standing for long periods
 - f) Inherent risks in certain departments, e.g. PE, Science
 - g) Manual Handling
 - h) Working in a confined working space
 - i) Using an unsuitable workstation
 - j) Infectious diseases
 - k) The provision of appropriate sanitary and rest facilities.

3.32 Supervision of students

- 3.32.1 Staff will actively promote sensible, safe behaviour to students;
- 3.32.2 Dangerous or risky behaviour displayed by students will be addressed and dealt with in the school rules;
- 3.32.3 Students will only be allowed into or stay in classrooms under adult supervision;
- 3.32.4 Appropriate supervision of cloakrooms and toilet access will be in place at busy times.

3.33 Water hygiene management (control of Legionnaire' disease)

- 3.33.1 The Headteacher will ensure that competent persons are engaged to manage the water system and control the spread of legionella bacteria. These persons will be the Health & Safety Lead's specialist external contractors
- 3.33.2 The school will ensure a suitable and sufficient assessment as detailed in the COSHH Regulations and Approved Code of Practice L8 is carried out to identify and assess the risk of exposure to Legionella bacteria from work activities and the water systems on the premises and any necessary precautionary measures.
- 3.33.3 Where the risk assessment shows that there is reasonable foreseeability of risk, and this cannot be eliminated, a written scheme for controlling the risk from exposure will be written by a competent person. This scheme will specify measures to be taken to ensure that it remains effective;
- 3.33.4 The school will ensure that a suitable and sufficient monitoring regime is in place and that records are kept.

4. Conclusions
