

Archer Academy Year 7 Reading List

	<p>It's hard not to feel inferior when your older sister is Aphrodite, queen of beauty and massive star of social media. Not to mention introducing a boy to your dad when he's really Zeus. Helen's just a normal teenager living in London, until one misstep threatens to banish them all to Mount Olympus for good.</p>
	<p>Set in 1930s Corfu, this evocative book follows budding naturalist Gerry and his family as they move to escape the British weather. But the Durrells find that they must share their various villas with a menagerie of local fauna - among them scorpions, geckos, toads, bats and butterflies.</p>
	<p>This funny, fast-paced modern classic tracks 12-year-old Percy as he battles gorgons and discovers his true parentage on his quest to find Zeus's lightning bolt and stop a catastrophic war between the gods.</p>
	<p>When Jemima is made to join the school's "special" healthy lifestyle group - A.K.A Fat Club – she is forced to wonder if anything matters but looks. But will her determination to appear on Brainiacs, her favourite TV show, pay off?</p>
	<p>Deenie is thirteen years old and gorgeous. Her mother wants her to be a model – but Deenie's not so sure. So when she's diagnosed with scoliosis – curvature of the spine – she's almost relieved! No more living up to her mother's expectations. But will the uncomfortable back brace she has to wear for the next four years stop her from living up to her own?</p>
	<p>Jo lives above her parents' Chinese takeaway in 1980s Coventry. Beset by bullying both at home and at school, all Jo dreams of is breaking free and forging a career as an artist. Heartwarming and almost entirely true.</p>

	<p>Nuclear war has devastated America. Ann has been living alone in a valley for over a year - until Loomis, a scientist in a radiation-proof suit, arrives. She hopes they will be companions but his behaviour towards her becomes increasingly threatening—is it possible to feel even more alone?</p>
	<p>Inspired by the painting of Dido Belle and the Mansfield family who lived at Kenwood House, Belle tells the story of a family that defied convention, the legal trial that exposed the cruelties of slavery, and the woman who challenged notions of race at the highest rank.</p>
	<p>Philosophy is a way of thinking about just about anything. It asks big questions, such as "how can I be good?" or "what makes something beautiful?" Using lively examples, humorous illustrations and simple thought experiments, this book opens up the world of philosophy to both children and adults.</p>
