As Headteacher one of my greatest responsibilities and priorities is the recruitment and development of staff. At Archer Academy, we want to go beyond our Ofsted outstanding rating and to do that, of course, we need an exceptional, fulfilled staff team. I ask a lot from my staff, but in return I promise extensive support and development opportunities, and the space and freedom to extend your skills which would be hard to find elsewhere.

Our vision for Archer Academy is rooted in our desire to provide an outstanding, inclusive and aspirational education for our students that will prepare them for adult life. We are consistently placed in the top 10% of schools nationally and were graded outstanding in all areas by Ofsted in 2019.

This is undoubtedly an exciting time to join Archer Academy. We very much look forward to hearing from you and thank you for your interest in our school.

WHY JOIN OUR SCHOOL?

1

High aspirations for staff and students

Our school is a place where every member of the community is supported and challenged to do their best. We have created a can-do culture in which staff are encouraged to be creative, try new ideas, and take a few risks, with the safety net of a supportive SLT. And we encourage students to be brave, get stuck in, and lean into every opportunity we offer. We help everyone open doors for the future – whilst making sure they enjoy the here and now.

Working with the Head is an absolute joy. She listens and is receptive to ideas. And it's clear that the SLT's goal is not just that students achieve their very best, but staff as well.

2

Extensive CPD opportunities

The value we place on our staff means we prioritise their personal and professional development. We offer a wide-ranging CPD programme, including partnerships with external organisations and a clear internal mentoring process, led by a designated member of SLT. We love it when our staff stay and grow with us, while also celebrating with them when they find new opportunities elsewhere.

Community is a big thing here, and a lot of time is taken to discuss how to improve the experience of staff members and make it a lovely place to work. We feel the impact all the time.

Director of Social Sciences and Personal Development

3

A strong focus on staff wellbeing

Our school is a happy community, and that doesn't happen by accident; we work hard to make it, and keep it, that way. Our Wellbeing Committee meets regularly to explore ways to make life better for us all, and our wellbeing offer includes sabbatical opportunities, free weeks and a specialist staff wellbeing platform. We are also open to flexible working, with a number of part-time staff, and are continuing to evolve the flexibility we can offer.

4

A supportive environment and culture

Our campus school set-up has allowed us to create two distinct atmospheres that match our students' life stages. Lower School is home to years 7, 8 and 9, allowing our younger students to find their feet in a caring, supportive and creative space. Upper School has a more college-like atmosphere, with a greater focus on scholarship and individual study, and more adult-to-adult relationships between staff and students.

5

A rich, imaginative curriculum with excellent outcomes

We have designed a curriculum that blends subject specialism with the richness of wider learning and skills, and offers the chance to explore knowledge and skills that go beyond the national curriculum. We are fiercely proud of the achievements of our non-selective students, which place us consistently in the top 10% of schools nationally. They are a testament to both the environment we have created and the professionalism and determination of our staff team.

Leadership is exceptional. The headteacher's clear, unwavering vision focuses on supporting pupils' high achievement across the curriculum. Leaders at all levels are very skilled.
